About Us:

Headquartered in Dubai, UAE, Eagle Eye Group has humble beginnings that we can take pride of. This pride and integrity bring us closer to our clients which set us afoot to where we are today. Building good relationships whether in business or personal is the key to life. However, this relationship takes mutual respect, fairness and integrity. And that is what we value the most. We believe in sustainable growth of business by keeping hold of our values in check. Each and every one of our personnel have and will continue to acquire the professional knowledge and skills required to perform their tasks and will implement them while striving continuously to perfect their personal and collective achievements.

Eagle eye Security is committed to providing exceptional services by delivering personalized, high - quality and cost-efficient solutions to meet the need of our clients.

Mission Statement

Our goal is to train, educate and empower our staff to function not as an employee but as a part of our team and a partner to our client at all times by providing uncalculated security and transportation services which best serve our client whilst striving to be on guard on people, property, environment and our very own core values that which will uphold our team's work and life equilibrium.

Security Specialists

Eagle Eye Security has delivered wide range of security services such as guarding, training and other security services. Our Security packages are designed especially for the client with respect to their specific needs and financial capabilities. When we provide our services, we take the time to understand your needs and your environment as well as a full risk assessment to ensure that our security officers will fit your requirements. Eagle Eye Security implements stringent training for its entire force over and above the average. Eagle Eye Security is an independent consultancy not tied to any other businesses, this means that the advice we give you is unbiased, objective and impartial. After reviewing your needs, we make recommendations that are right for your business – at your budget. Our management team all have the necessary experience to give you the best advice possible and the knowledge to consult and recommend an unequalled security solution for your unique needs.
